CREATE ATMOSPHERE WITH  
**BIOFIREPLACES**

ALL OF THE PROJECTS CREATED BY US MEET THE NEEDS OF OUR CUSTOMERS. FUNCTIONALITY, HIGH QUALITY AND REASONABLE PRICE ARE THE FEATURES THAT DISTINGUISH OUR INSERTS ON THE MARKET. ATTENTION TO AESTHETICS AND STYLE ENABLE THEIR USERS TO ARBITRARILY ARRANGE INTERIORS. IMAGINATION IS THE ONLY BARRIER, BUT - AS EVIDENCED BY OUR MANY YEARS OF EXPERIENCE - CUSTOMERS HAVE UNLIMITED RESOURCES OF IT.

WE GIVE WARMTH - THIS IS THE MOST IMPORTANT TASK OF OUR FIREPLACES.

SITTING IN THE GLOW OF THE FIREPLACE YOU WILL UNDERSTAND THAT WE ARE DOING SOMETHING MORE ...

WE CREATE A SPECIAL WARM, WELCOMING ATMOSPHERE ...

## GET TO KNOW OUR HISTORY

Our company has been present on the Polish market since 1998. Today we are a well-known and respected manufacturer of fireplaces, grilles and fireplace accessories. Due to the dynamic development, wide range and durability of our products, we are a leading fireplace company in Europe. Continuous investments in qualified staff and modern technologies had a direct influence on the highest quality of our products. We do not cease our pursuit of perfection, believing that Polish products can compete with well-known Western brands, as evidenced by our certificates and awards.”

## WE PROVIDE CONTINUOUS QUALITY CONTROL

The basis of Kratki.pl's success is to offer products and services of excellent quality.

CONFIDENCE OF QUALITY is the slogan which, from the very beginning of Kratki.pl company, has been leading our business. The care of the highest level of products and services is the basic pillar of our brand. The certificate of ISO 9001: 2008 and the awards that confirm the quality of the Kratki.pl offer prove fulfilment of world standards.

As a company we take full responsibility for the quality of fireplace inserts and freestanding stoves. Our market leader status was achieved not only due to the wide range of offer, but also because of the high level of our products.

Our fireplace inserts fulfil the strictest environmental requirements. This means that they fully comply with the EU directive, commonly known as ecodesign.
